2007 EXHIBITIONS CALL FOR ENTRY

Gallery Purpose

The Rio Gallery was created as a service to Utah artists. It provides a free venue for emerging as well as established artists to gather and educate the community through their artwork.

Eligibility

We welcome proposals from artists, arts organizations, and independent curators to exhibit works at the Rio Gallery. These include small group shows of two to eight artists or curated/juried exhibits.

All mediums are accepted, including drawing, ceramics, painting, photography, printmaking, mixed media, sculpture, textiles and installation work.

Exhibition Space and Hours of Operation

The gallery has up to sixteen 8' x 12' walls and up to fourteen pedestals for 3D work. The gallery is open Monday – Friday, 8 AM to 5 PM and Saturday from 9-1 PM. The gallery has membership in the Salt Lake Gallery Association and participates in the Gallery Stroll every third Friday. The artist reception will be held on a Gallery Stroll evening.

Proposal Requirements

1. Cover sheet stating your name, address, phone numbers, e-mail address, medium and references
2. Description of proposed exhibition.
3. Brief resume, outlining education, exhibit history, awards, and other relevant information.
4. Ten slides or a CD with digital images (preferred) representing recent work. Each piece should be labeled with name, title, medium, size and date.

DEADLINE FOR 2007 SUBMISSIONS: June 16th 2006

You may bring your proposal to the Rio Gallery (300 South 455 West) or mail it to: Utah Arts Council, Visual Arts Program, 617 East South Temple, Salt Lake City, UT 84102. Please enclose a self-addressed stamped envelope for the return of your materials.

Exhibition Selection

The UAC visual arts committee selects exhibitions for the gallery. Quality of work, completion and clarity of the proposal and balance of mediums submitted for the season will all be considered. Works exhibited in other Salt Lake venues up to six months prior to the scheduled exhibit will not be accepted. The committee reserves the right to make final decisions on which works will be placed on exhibit. Notification of scheduled exhibits will be made no later than mid-August.

Sales

All sales inquiries are referred to the artist. The Rio Gallery does not handle sales transactions and does not take a commission. Work does not have to be for sale.

Please contact Laura Durham, (801) 533-3582, at the Rio Gallery if you have any questions or concerns regarding the application process as you develop your proposal.
